

Chancellor's announcement 05.01.21

In the last hour it has been announced that there are to be new additional grants for the hospitality sector to help through this new lockdown.

These grants are to be per property and UK-wide.

The new one-off grants come in addition to existing business support, including the grants worth up to £3,000 for closed businesses, and up to £2,100 per month for impacted businesses once they reopen.

The one-off top-ups will be granted to closed businesses as follows:

- £4,000 for businesses with a rateable value of £15,000 or under
- £6,000 for businesses with a rateable value between £15,000 and £51,000
- £9,000 for businesses with a rateable value of over £51,000

Details on how to claim this grant have not yet been released, but it is believed they will be administered by your local authority.

Once we know more, we will get in touch.
